

## ROCK-TRED's 2017 Holiday Schedule and Shipping Information

ROCK-TRED will be closed for business on Thanksgiving Day 11/23, the day after Thanksgiving 11/24, the Friday before Christmas 12/22, Christmas Day 12/25 and New Year's Day 1/1/18. ROCK-TRED will be open normal business hours 7:30 AM-3:30PM on the Friday before New Year's Day 12/29.

When shipping during the Holidays please plan material orders to account for the extra shipping days when the freight is not moving on line haul AND to avoid the possibility of freezing. If the freight is sitting in the cold for even a day in an unheated dock or trailer it is likely to freeze. Most ROCK-TRED products will be unusable if they are allowed to freeze.

Most LTL freight carriers will be following the Holiday schedule below.
