

ROCK-TRED Sample Policy

ROCK-TRED offers cured samples of all our various decorative, industrial and commercial flooring and wall systems produced on backer board. Upon request, we will send up to 3 individual system samples in any of our standard colors or blends via US Mail free of charge. Stock samples are produced in 2" x 3" sizes only and are available for all systems, colors and color blends displayed on ROCK-TRED Color Selector Charts. Requests for greater amounts than the initial three free stock samples will be charged at rate of \$1.50 per sample plus the cost of shipping. Most stock samples can be mailed out within 24 hours of the request.

ROCK-TRED can provide custom samples upon request. Custom samples include any non-standard sized samples (larger or smaller than 2" x 3"), samples requested in specific textures, samples of non-standard ROCK-TRED floor or wall systems, samples in custom colors or custom color blends, etc. Requests for custom samples should be forwarded in writing to ROCK-TRED at sales@rocktred.com, or via mail to obtain a price quotation and an estimated time of delivery. To obtain an accurate quote the request should contain details such as the ROCK-TRED System name and/or individual ROCK-TRED product components, sequence of application, thickness of each layer to be applied (in square feet per gallon, or in mils of WFT or DFT), color of each layer, size of broadcast media (if required), size and quantity of each sample and ship to address.

For \$200.00 ROCK-TRED offers our comprehensive ROCK-TRED SYSTEMS SAMPLE KIT. Each Sample Kit contains 2"x 3" size cured samples of all current standard color blends and media sizes of ROCK-TRED's GRANITE-ROCK Colored Quartz, ROCK-CAST Flake, MARBLE FLAKE, TERRAZZO-ROCK, FLOOR-ESSENCE "Metallics" and our RUBBER BLENDS for "Soft Floors". Also included are samples of all 3 sizes of EASYCOVE, ROCK-CRETE Slurry, Trowel and Dressing as well as cured hex shaped pucks of all the ROCK-TRED STANDARD COLORS for true color matching. Each sample is individually labeled and stored inside clear plastic cases shown above and packed inside the pictured ROCK-TRED shoulder bag for professional presentation.
